Case No. 10506/5

## 

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled JOIN PROCESS METHOD FOR ADMITTING A NODE TO A WIRELESS MESH NETWORK, the specification of which:

| $\boxtimes$   | is attached hereto.                  |                    |                         |                          |                  |         |  |
|---|--------------------------------------|--------------------|-------------------------|--------------------------|------------------|---------|--|
|   | was filed on as Ap                   | plication Serial N | 0                       |                          |                  |         |  |
|   | and was amended on (if applicable).  |                    |                         |                          |                  |         |  |
| I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.   |                                      |                    |                         |                          |                  |         |  |
| I acknowledge Regulations, §  | the duty to disclose inform 1.56(a). | ation which is m   | aterial to the patental | pility as defined in Ti  | tle 37, Code of  | Federal |  |
| I hereby claim foreign priority benefits under 35 U.S.C. § 119(a)-(d) or § 365(b) of any foreign application(s) for patent or inventor's certificate or § 365(a) of any PCT International application which designated at least one country other than the United States, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate, or PCT International application having a filing date before that of the application on which priority is claimed:  |                                      |                    |                         |                          |                  |         |  |
| Prior Foreign A   | pplication(s)                        |                    |                         |                          | Priority Clai    | imed    |  |
| None  |                                      |                    |                         |                          |                  |         |  |
| (Number   | r) (Country)                         |                    | (Day/Month/Year         | r Filed)                 | Yes              | No      |  |
| I hereby claim t  | the benefit under 35 U.S.C.          | § 119(e) of any U  | nited States provision  | al application(s) listed | below:           |         |  |
|   | None                                 |                    |                         |                          |                  |         |  |
| (Applie   | cation Serial No.)                   | (Fi                | ling Date)              | <del></del>              |                  |         |  |
| I hereby claim the benefit under 35 U.S.C. § 120 of any United States application(s), or § 365(c) of any PCT International application designating the United States, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of 35 U.S.C. § 112, I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR § 1.56 which became available between the filing date of the prior application and the national or PCT International filing date of this application: |                                      |                    |                         |                          |                  |         |  |
|   | None                                 |                    |                         |                          |                  |         |  |
| (Applie   | cation Serial No.)                   | (Fi                | ling Date)              | (Status-patented         | d, pending, aban | doned)  |  |
